

# Fuel System

Compact Water Separator/Fuel Filter

Water Separator/Fuel Filter

## Compact Water Separator/Fuel Filter

Compact size Water Separator/ Fuel Filter is ideal for smaller boat-motor combinations of up to 140 H.P. Not for V6 Models.

99105-20006	Replacement Filter
99105-20006-ASY	Complete Assembly
99105-20006-BWL	Bowl and Drain Valve Assembly

## Water Separator/Fuel Filter

State-of-the-art Filter removes water and other contaminants from the fuel before they reach your engine. It features a transparent removable bowl for easy viewing of fuel condition and a drain valve for water and other impurities. Due to the high flow rate capabilities of this filter system, a special large diameter thread is used.

Use only Genuine Suzuki Replacement Filter 99105-20005

99105-20005	Replacement Filter
99105-20005-ASY	Complete Assembly
99105-20004-BWL	Bowl and Drain Valve Assembly

## Plastic Fuel Tanks

Constructed of tough, lightweight, high-density polyethylene and made to "Underwriters Laboratory Standard UL1185" to safely and conveniently meet your boating needs. 6-gallon tank includes cap with fuel level gauge. 3-gallon tank includes cap with no fuel gauge.

65000-99100	3 Gallon without Fuel Level Gauge
65000-95D00	6 Gallon with Fuel Level Gauge
65520-99100	Replacement Fuel Cap 3 Gallon without Fuel Level Gauge
65520-95D00	Replacement Fuel Cap 6 Gallon with Fuel Level Gauge

Plastic Fuel Tanks

Fuel Hose Connectors

**Fuel Hose Connectors**

Quick connect and disconnect female fittings fit either hose end.

65750-98505	ID: 11mm	Metal	for small diameter hoses
65750-93000	ID: 13mm	Metal	for small diameter hoses
65750-95500	ID: 13mm	Metal	for large diameter hoses
65750-94404	ID: 13mm	Plastic	DT4-140 1988 - 1992
65750-87J10		Plastic	DF4-140 2003 - 2004

**Fuel Connectors (Motor Side)**

Male connectors are located on the motor side, for fuel hose attachment.

65720-98520	OD:11mm	Plated Brass	DT3.5 - 65
65720-95511	OD:13mm	Plated Brass	DT75 - 140
65720-94401	OD:13mm	Plastic	DT4 - 65
65720-94411	OD:13mm	Plastic	DT75 - 140
65721-87D00	OD:13mm	Plastic	DT150 - 225
65720-98680		Plastic	DF4 - 140

**Fuel Tank Connectors**

Fuel tank connectors are available in stainless steel with metric thread and plated Brass 1/4" NPT .

65720-98590	OD: 11mm	Metric	All Models
65740-95500	OD: 13mm	Metric	All Models
99105-00192	OD: 11mm	1/4" NPT	U.S. Tanks
99105-00193	OD: 13mm	1/4" NPT	U.S. Tanks

**Flush Hose Attachment**

Insert Flush Hose Attachment in gear case flushing hole to rinse out water cooling passages.

NOTE: Plug water intake holes before flushing.

55181-95200	All DT Models
	DF 4/6/9.9/15/25/30/40/50

**Fuel Hose**

The selection of Fuel Hose depends on your motor and fuel tank. Please consult your local Suzuki Dealer.
